The screenshot shows a web browser window with the URL www.mpsuexams.com/MPMSU/LoginScreens/LoginPage.aspx. The page features the logo of Madhya Pradesh Medical Science University, Jabalpur (M.P.) and a detailed description of the Examination Management System (EMS). The description states that the EMS is a web-based centralized user interface with a database-centric schema for storing, retrieving, managing, and aggregating examination objects. It supports various question types like multiple choices, true or false, and fill-in-the-blanks. The system also includes a question bank authoring system, online question management, and multimedia content. The question papers are delivered in a highly secured manner with 128-bit encryption technology. Effective reports are generated for examination details, fees, candidate details, and budget. The system is robust and includes a disaster recovery plan.
